

This product has not been registered by the US Environmental Protection Agency. Pyranha, Inc. represents that this product qualifies for exemption from registration under the Federal Insecticide, Fungicide, and Rodenticide Act.

DIRECTIONS FOR USE

Read entire label. Use only in accordance with label directions and precautions.

For use in and around (but not limited to): homes, marinas, barns, patios, pool areas, beach areas, lawn areas and marsh areas. Shrubbery and vegetation around marsh areas, ponds and shorelines may be treated.

Cover or remove food. Cover food processing surfaces during treatment or thoroughly clean before use.

Shake product well. Dilute at a rate of 1 part Pyranha 1-10 FT Exempt Concentrate to 40-60 parts water. Add concentrate to water. For example, 1 gallon of the concentrate can be added to 54 gallons of water to provide good control of insects listed. Use less water for more severe infestations. Use more water for preventative applications. **Mix thoroughly after dilution.** Continuous agitation is not required.

Coventional Application Equipment (including, but not limited to, ULV and backpack type sprayers): Apply at a rate of 6 to 24 fl. oz. per 1000 sq. ft. of area, using higher amounts for severe infestation.

Automatic Spraying Systems: Set nozzles to deliver 1.5 ounces of liquid per minute. Locate nozzles to cover a mximum of 1000 cunic feet of space per nozzle. Set timer to operate in accordance with equipment directions.

Pyranha, Inc. 6602 Cunningham Road Houston, TX 77041 1-800-231-2966

PRECAUTIONARY STATEMENTS
